## About Hidden Trails

Hidden Trails is owned and operated by nature enthusiasts who love horses and adventure activities. We have been involved with riding and other outdoor vacations for over 20 years.

With our partners Voyage du Cheval (France), Pegasus (Germany) as well as Equitour (Switzerland and France) we have collected the best riding destinations all over the world in some hidden places we would like to share with you.

These rides are about galloping on endless beaches, forging rivers, cantering through forests, trotting along age-old trails, gazing at beautiful vistas and encountering foreign cultures. But most of all, these trips are about getting away from the cycle of too much work and never enough free time.

Escape from the rituals, which long ago froze our nights and days into little more than routine and away from the worries of our new tense times. It is so satisfying when we take the plunge of adventure - it's unfortunate that we invent so many reasons to put aside living our dreams of adventure. It is sometimes a tangled web that we weave through life. Some of the threads reveal a work-a-day world of commitments, duties and obligations. Other threads are of a quiet fabric of hope, responsibility and refreshment.

On our adventures you see the real country, its back country and meet the locals. The love for horses has no boundaries but possesses a common language we all speak and understand. The majority of the overseas rides are from inn to inn, some from castle to castle and a few are camping rides.

You will experience new countries and their customs and make new friends. The Hidden Trails trips are the best you can find.

They have been tested by our staff or associates and received our stamp of approval. If you are considering a special riding vacation anywhere in the world, call us first and let our experienced consultants match the perfect trip with your dream.

We will listen to you and give you objective advice to help you choose the best destination and adventure.

Your vacation is the most precious time of the year and we are committed to making it the most memorable time of your life. Wherever you go, have a great time and bring back some peace of mind.

Thank you for your continued support.

## Introduction

Central Mexico, Mexico  
Traditional Mexico in Jalisco. Historic haciendas in the land of Tequila, Charrería, and Charros.

This tour is a fabled gateway to start your true Mexican experience in the Lagos de Moreno region (North East of Jalisco) which has been deemed as a *Pueblo Mágico*; a magic town because of its unique cultural, historical, and natural heritage.

In this tour, you will ride across historic haciendas, and along sections of the old Camino Real de Tierra Adentro also known as the Silver Route ("The Royal Road of the Interior Land", a 2,560-kilometre-long trade route between Mexico City and San Juan Pueblo, New Mexico, used from 1598 to 1882). You will canter across sandy trails, hills, and mountains; through alfalfa and corn crops, and reach the spectacular Canyon of Alcazar with its peculiar rock formations. Interact with the local cowboys and participate in their working activities. Of course: all this comes with true Mexican hospitality.

And if you want to extend your trip, we suggest a visit to nearby Lagos de Moreno, Guadalajara (Jalisco's capital city - only a 2-hour drive away), the Tequila region (3-hour drive) or even the resort town of Puerto Vallarta (7-hour drive).

[Land of Tequila Accommodation Itinerary](#) - subject to changes based on availability

Nights 1 & 2: Hacienda San Cirilo

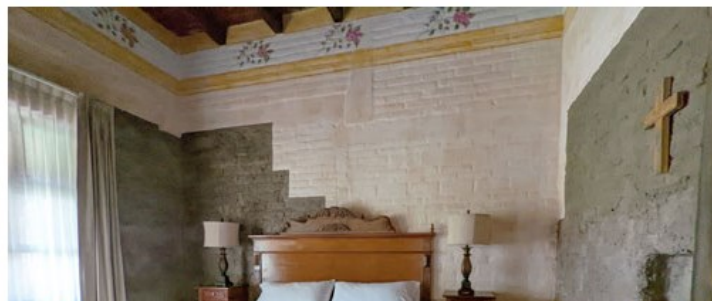

Nights 3 & 4: Puerta del Coche

Nights 5 & 6: Hacienda Tlalixcoyan

Nights 7 & 8: Hacienda Sepulveda

### Hacienda San Cirilo

Jorge and Lena have been rebuilding this hacienda dating back to 1865 little by little. Each room has its own style with an ensuite bathroom and overlooks the stables. Wi-Fi is available.

#### Puerta del Coche Ranch

This accommodation features spacious and comfortable guestrooms.

#### Hacienda Tlalixcoyan

It has been owned by the Gomez family for over 400 years. The owners will give you a warm welcome and tell you stories and anecdotes about the property.

#### Hacienda Sepulveda

The present owners, the Serranos, have had the property for 3 generations. The Hacienda has been a working ranch for 360 years and dates back to the 17th century. It is now a 4-star boutique Hotel with 26 rooms and exquisite spa facilities including a *temazcal* (ceremonial Indigenous low heat sweat lodge). The Hacienda is even listed in the top 10 best Hotel Hacienda's in Mexico by Travel & Leisure magazine.

Guests will quickly find themselves feeling at home, assuming that home is filled with exquisite antiques. Each room in the hacienda has its own personality, and all have either a fireplace or antique wood-burning stove for those nippy winter nights. Many of the rooms have arched brick ceilings, and each has its own unique chandelier. Since a number of the rooms have separate full beds, you should specify if you prefer a twin or king-sized beds. You will sleep in a comfortable Suite, featuring a TV, free Wi Fi internet and a private bathroom. Some rooms offer a terrace, and a hot tub.

There is nothing better than the pool and spa after a day in the saddle. Other amenities include holistic massage, steam room, Jacuzzi and sauna.

#### Room Occupancy

For solo travelers willing to share, a single supplement fee is charged if we don't find you any roommate.

#### Meals

All meals are included on any of the 3 trip options.

The meals are mostly homemade Mexican food. Lunch is eaten on the trail and breakfasts and dinners are eaten in the restaurants of accommodations. Sometimes it is a buffet, in some cases a BBQ... Hacienda Sepulveda is proud to serve traditional Mexican dishes prepared with old family recipes and organic local vegetables from the Huerta or brought fresh from the town market.

Drinks are not included on this trip and guests are not allowed to bring their own bottles.

#### Dietary Restrictions

We can cater to most dietary restrictions with prior notice.

#### Riding

The riding country is varied and the pace is adjusted accordingly. On 4 of the 6 riding days the riders have good opportunities for some nice controlled canters, the other 2 days you ride through canyons and rough country with little or no opportunities for faster paced riding - but it is spectacular. There is 1 guide for every 5 rider.

#### Itinerary

Please, note that the itineraries below are just an indication and changes can be made at the tour operator's discretion.

For instance, sequence of the haciendas may change from week to week.
