About Hidden Trails

Hidden Trails is owned and operated by nature enthusiasts who love horses and adventure activities. We have been involved with riding and other outdoor vacations for over 20 years.

With our partners Voyage du Cheval (France), Pegasus (Germany) as well as Equitour (Switzerland and France) we have collected the best riding destinations all over the world in some hidden places we would like to share with you.

These rides are about galloping on endless beaches, forging rivers, cantering through forests, trotting along age-old trails, gazing at beautiful vistas and encountering foreign cultures. But most of all, these trips are about getting away from the cycle of too much work and never enough free time.

Escape from the rituals, which long ago froze our nights and days into little more than routine and away from the worries of our new tense times. It is so satisfying when we take the plunge of adventure - it's unfortunate that we invent so many reasons to put aside living our dreams of adventure. It is sometimes a tangled web that we weave through life. Some of the threads reveal a work-a-day world of commitments, duties and obligations. Other threads are of a quiet fabric of hope, responsibility and refreshment.

On our adventures you see the real country, its back country and meet the locals. The love for horses has no boundaries but possesses a common language we all speak and understand. The majority of the overseas rides are from inn to inn, some from castle to castle and a few are camping rides.

You will experience new countries and their customs and make new friends. The Hidden Trails trips are the best you can find.

They have been tested by our staff or associates and received our stamp of approval. If you are considering a special riding vacation anywhere in the world, call us first and let our experienced consultants match the perfect trip with your dream.

We will listen to you and give you objective advice to help you choose the best destination and adventure.

Your vacation is the most precious time of the year and we are committed to making it the most memorable time of your life. Wherever you go, have a great time and bring back some peace of mind.

Thank you for your continued support.

Introduction

Cappadocia, Turkey

This one-week trail is for those looking for an exclusive, comfortable, and flexible ride without compromising on the riding and scenery. A listed UNESCO World Heritage site, the Cappadocia regions is the result of incredible volcanic eruptions and ancient human activity. In personal riding groups of no more than 8 people, you will spend 5 - 6 hours per day exploring on horseback through a land rich with wonder. Horses are groomed and prepared for you each day as well as untacked and looked after so you can relax and really enjoy your vacation. This trail combines quality accommodation in guesthouses or upgrade to luxury hotels (selected for their historical architecture (cave hotels), special atmosphere, high quality of service and attention to details). Delicious Turkish meals, together with a semi-progressive, varied itinerary including all of Cappadocia's highlights as well as treasures off the beaten tracks.

You will be exploring a variety of landscapes from canyons, mountains, orchards and vineyards, rock tunnels, and of course the famous Sword Valley and Red Valley- a unique set of geological formations that are specific to Turkey. Villages dot the landscape and contain so much character and culture! You'll spot houses, churches, monasteries, and hotels have been harmoniously carved out of the rock surface of the natural landforms and will even have the chance to stay in one of these accommodations! Don't miss the hot-air balloon flight (optional) in the early morning and travel with the wind over Cappadocia's magical landscape at sunrise! The landscape is a sight not to be missed as the sun lights up all of the colours in the rock and creates a warm ambience. Find yourself amazed exploring this ancient and well-preserved country, marrying landscape and culture- all from horseback!

Riding

Physical Condition and Riding Ability

Riders must be able to tack up and mount their horse unassisted, and be confident on leading their horse on rough terrain and riding during group canters on forward-going horses. Before coming to Turkey, go for a few rides outdoor and exercise yourself in order to avoid muscular pain or irritations during the trail. Cappadocia is hilly so you need to be fit enough to mount and dismount your horse and walk short distances, going sometimes strongly uphill.

Riders must be in good physical condition to take part on the progressive trail. Circuit includes a few difficult portions where riders will be asked to dismount and lead their horse for a short amount of time.

Riding Schedule

The riding day will start early in the morning (08:00 am in the saddle) followed by a big break after lunch and 1 or 2 hours of riding in the evening. Riders arrive on horseback at the accommodation, and park the horses for the night in front or very close to the hotel. No travel by minibus required during the week.

Pace

This trail includes 5 and a half riding days with 5-6 hours one horseback per day. We cover approximately 35km per day on varied terrain. The pace is primarily at a walk but with opportunities to canter every day.

per day on varied terrain. The pace is primarily at a walk but with opportunities to canter every day.

Tack

The riding equipment includes standard bits and pelhams as well as McClellan light trailing saddles and saddles made by ourselves. These are fitted with two saddlebags for you to carry the picnic and personal belongings for the day.

Horses

Our stable is composed of forward-going Arab, and cross-Arab horses who will surprise you with their robustness and their agility. They are 1,50 m tall on average - the ideal size for trailing on tortuous paths! All our horses are responsive, well balanced and respectful of the rider and they are extremely sure-footed.

We have put a lot of time and investment into the quality of our horses. Since 2015 more than half of our cavalry has been renewed with pure Arabian endurance horses. Most of our horses have qualified in national endurance races.

We have invested in a horse walker and in an arena in order to continue to offer riders well trained horses.

Our horses live together as a herd and all spend their days outside grazing in our fields when not on the trail.

Horses are assigned according to riding levels and riders' preferences, but the size and the weight of the rider are also important criteria.

Our team will groom and prepare the horses, so no participation is required by the rider.

Weight Restriction

Riders cannot be over 85kg. We will weigh riders on arrival and those over will not be able to participate in the riding program.

Guide

We will provide 1 guide for every 4 riders.

Travel Insurance

You must have appropriate travel insurance to take part in our trails. Make sure your policy covers horse-riding activities abroad. Your insurance details will be requested on arrival.

Itinerary

Sample Itinerary - subject to changes

Please, note that the description below is an example of a trail we often do, but for reasons such as weather or safety, the guide can choose to change the itinerary at the last minute.

During the hottest months, we ride in the morning (8 am to 1 pm) and late afternoon. During the rest of the day, we stay around the swimming pool and enjoy the troglodytic habitats.

Day 1 (Sunday): Arrival

Arrival at Kayseri Erkilet Airport/ Nevsehir Kapadokya Airport where you are met by your driver and transferred to your accommodation in Urgup (about 1 hour) where you have dinner with your guide.

Meals included: Dinner

Overnight at a Hotel in Urgup

Day 2 (Monday): Uzengi Canyon

You are driven to the ranch in the morning to meet your horse and to get acquainted with the riding equipment. We start with a training course around the farm before going on a short trail ride.

The track leads to the foot of troglodytic citadels and dovecotes carved out the abrupt rock walls. There, some local villagers will cook lunch for us on wood fire.

The afternoon is spent riding through lush vegetation and along the stream of the Uzengi canyon.

In the evening, you are driven back to Urgup where you will spend a second night.

Meals included: Breakfast, Lunch & Dinner

Overnight at a Hotel in Urgup

Day 3 (Tuesday): Ride to Mustafapasa & Ayvali

You start the day with a long canter (the ascension of the Avlak mountain - in case of rain, the Avlak mountain is unrideable and will be avoided), with a magnificent view of Cappadocia. The rocky hills could provide the perfect background to a Western movie... We eventually arrive in the center of the old Greek village of Mustafapasa.

After lunch, you may stroll among Mustafapasa's old stone houses, its Ottoman madrasa and its painted church or take a nap on the sofa.

In the afternoon, you can enjoy varied scenery of narrow tracks, small canyons, farmed land and the wide-open spaces, where shepherds lead their flocks, before arriving to your guesthouse in Ayvali.

Meals included: Breakfast, Lunch & Dinner

Overnight at Guesthouse in Ayvali

Day 4 (Wednesday): Keslik Monastery

This morning, we canter through fields of the high Anatolian plateau (1600 m high). Then, we ride through a steep single trail down to Damsa lake. Villagers cook lunch for us on a woodfire. We have the opportunity to visit the Keslik monastery.

Passing by and overlooking a valley of fairy chimneys, the afternoon scenery is made of bare hills surrounding the lake. Visit of the underground village of Gologli.

You end the day cantering along tracks of soft red clay leading you to the village of Ayvali through a hidden canyon, and stop at your hotel in this village.

Meals included: Breakfast, Lunch & Dinner

Overnight at Guesthouse in Ayvali

Day 5 (Thursday): Uchisar

Today's itinerary takes you to the beautiful valleys of north Cappadocia, and to the village of Uchisar. You trot and canter through vineyards and orchards and over rolling hills of white tufa to reach Ibrahimpasa. From this picturesque village, you start ascending the 'twin hills' of Cappadocia. A nice canter at the top takes you to a panoramic viewpoint encompassing northern Cappadocia and the towering rock fortress of Uchisar. As you ride towards the village, you can admire the multi-coloured rock formations of the famous Pigeon Valley, and Uchisar's picturesque fairy chimneys. You reach the village on horseback and enjoy a late lunch on the terrace. You may spend the rest of the day exploring the village, visiting the churches of Goreme's Open Air Museum or hiking through the Pigeon Valley.

Meals included: Breakfast, Lunch & Dinner

Overnight at Guesthouse in Uchisar

Day 6 (Friday): White, Red and Rose Valleys

Optional hot-air balloon flight in the early morning: travel with the wind over Cappadocia's magical landscape at sunrise (extra fee).

You enter another beautiful canyon called the White Valley (after the colour of its rock). You sneak your way through arches, rocky labyrinths and lush vegetation, then into the Sword Valley and Red Valley. With its citadels of red, pink and ochre rock, and its beautiful troglodytic churches, this is Cappadocia's most spectacular ensemble of geological formations.

A cave café located in an ancient monastery welcomes you for lunch. In the afternoon, you keep exploring the Red and Rose Valleys, then ride out into the fields, surrounded by the rocky hills of northern Cappadocia.

Meals included: Breakfast, Lunch & Dinner

Overnight at Guesthouse in Uchisar

Day 7 (Saturday): Balkan Valley

You ride through the rock tunnels, arches and small woods of the spectacular, 4 km-long canyon called the Green Valley. You make a detour through the famous Love Valley and its gigantic phallic rock formations, then ride to the village of Ortahisar, where you will have lunch. You canter on a sandy track lined with trees and then cross the Valley of Pancarlik with its multi-coloured fairy chimneys, arriving at the ranch in the afternoon. Short transfer to your hotel in Urgup.

Meals included: Breakfast, Lunch & Dinner

Overnight at Hotel in Urgup

Day 8 (Sunday): Departure

After breakfast, departure to Kayseri Erkilet Airport/ Nevsehir Kapadokya Airport for your flight.

Meals included: Breakfast
