## About Hidden Trails

Explore the World on & with Hidden Trails

Hidden Trails is owned and operated by nature enthusiasts who love the outdoors and adventure activities. We have been involved with outdoor vacations for over 20 years. We have collected the best outdoor vacation destinations all over the world in some hidden places we would like to share with you.

These vacations are about forging rivers, biking along canals and through forests, hiking along age-old trails, gazing at beautiful vistas and encountering foreign cultures. But most of all, these trips are about getting away from the cycle of too much work and never enough free time.

Escape from the rituals, which long ago froze our nights and days into little more than routine and away from the worries of our new tense times. It is so satisfying when we take the plunge of adventure - it's unfortunate that we invent so many reasons to put aside living our dreams of adventure. It is sometimes a tangled web that we weave through life. Some of the threads reveal a work-a-day world of commitments, duties and obligations. Other threads are of a quiet fabric of hope, responsibility and refreshment.

On our adventures you see the real country, its back country and meet the locals. The love for the outdoors has no boundaries but possesses a common language we all speak and understand.

You will experience new countries and their customs and make new friends.

These trips have been tested by our staff or associates and received our stamp of approval. If you are considering a special outdoor vacation anywhere in the world, call us first and let our experienced consultants match the perfect trip with your dream. We will listen to you and give you objective advice to help you choose the best destination and adventure.

Your vacation is the most precious time of the year and we are committed to making it the most memorable time of your life. Wherever you go, have a great time and bring back some peace of mind.

Thank you for your continued support.

## Introduction

Texas, USA

Located in the heart of the beautiful Texas Hill Country near Bandera, the Equestrian Lodge offers first-class accommodations and quality horseback riding - hacking or clinics!

The lodge lies on the northeast boundary of the Hill Country State Natural Area - a 5,400 acre primitive area, which boasts two live streams and 35 plus miles of riding and hiking trails. An ideal place for horseback riders as well as a peaceful retreat for bird-watchers and nature-lovers of all types. Guests of all ages and skill levels will find the Lodge's specialized horseback riding program rewarding. Unlike many guest ranches, the Lodge's horses are not de-sensitized "dude string" horses, but rather gentle, responsive mounts. Group rides are kept small- no more than 5 riders- to allow guests to ride according to the group's skill level. Less experienced riders are tutored before and during the rides, making it a rewarding learning experience. Skilled riders will appreciate the lodge's well-trained and athletic mounts. The Equestrian Lodge features daily trail rides and specialized instructions in its equestrian facilities - offering private and group instruction to its guests, in such disciplines as Western Horsemanship, English Equitation, Reining, Cutting, Dressage, and Combined Training.

## Accommodation

### Accommodations

This is a stationary ride where all nights are spent at the same location.

### Description

You will sleep in authentic pioneer-style cabins, built of limestone and cedar, which provide guests with comfort and sanctuary from the rigors of modern-day life. Strategically nestled among the oaks in the valley, and perched among the junipers along the hillsides, each accommodation welcomes guests with oak floors, central air and heat, and abundant wood-sash windows and spacious porches from which to take in views of the surrounding countryside and wildlife.

When you're ready to take it easy, slip off to the Cowboy Cool Pool, or the Jacuzzi Under the Stars, or schedule yourself a massage, facial, or other spa service in the privacy of your accommodation. Or simply sit and watch the horses graze from the porch of your very own cabin or suite, read by your fireplace, or count the stars as you sit by a glowing campfire.

All accommodations have a fire ring and outdoor seating area, with firewood provided for evening campfires. All accommodations are non-smoking, except for the exterior front porches.

Pets are permitted only with the prior permission of the owners, and in accordance with the rules of the ranch's pet policy, available upon request.

WIFI is available at the office and dining room. Laundry is available at no extra cost.

### **Riding**

#### Riding Level

Guests of all ages and skill levels will find the Lodge's specialized horseback riding program rewarding. Less experienced riders are tutored before and during the rides, making it a rewarding learning experience. Skilled riders will appreciate the lodge's well-trained and athletic mounts. Each guest usually rides the same horse throughout their stay, and everyone is invited to help with grooming, feeding, and care of the horses. The Lodge's excellent horseback riding program makes equestrian activities a favorite pastime. Guests may take lessons, clinics, or private guided rides on the lodge's well-trained horses, or bring their own horses and ride at will through the hills, canyons, and streams of the ranch and the adjoining state park.

*\*weight limit for jumping lessons is 180 lbs*

#### Pace

The ranch holiday package includes a leisure trail ride of 2 hours per day (not including arrival and departure days). Alternatively you can chose 1 instruction session in trade for the 2 hrs of trail (on availability only, so best to order in advance).

Multi-day Private Cutting and Roping Clinics are now available by reservation. This is a fabulous opportunity to receive private instruction, and lots of time with the cattle while enjoying a great vacation! Reservations in advance are required.

#### Horses

Unlike many guest ranches, the Lodge's horses are not de-sensitized "dude string" horses, but rather gentle, responsive mounts.

We're proud of our horses! And no wonder! Every individual in our herd has been selected for his or her beauty, athleticism, training, and disposition. And that makes your riding experience here one you will find no place else. From show records to pedigrees, to exceptional versatility, every one of them has something very special to offer its lucky rider. And you needn't worry that this is a "bait and switch" routine. These are the actual horses on whom our guests take their lessons or clinics and enjoy their rides

#### Non Riders

Non-riders are welcome on this trip and can take part in many non-riding activities such as fossil hunting, hiking or birding. In addition, many activities can be done in the area nearby such as cycling, golfing and fishing.

### **Itinerary**

The Lodge's riding program is superior, with appropriate mounts for riders of all skill levels:

- Experienced riders will appreciate the Lodge's well-bred Quarter Horses which have been individually selected for their excellent dispositions, responsiveness, beauty, and athleticism.
- Beginners will appreciate the brief instruction given before and during each ride, so that they, too may learn to feel and connect with their horse.

Group rides are small and caringly lead by knowledgeable guides at a pace appropriate to each group. Riders experience a wide variety of terrain, and trail routes change each day.

You may take lessons, clinics, or private guided rides on the lodge's well-trained horses, or bring your own horses and ride at will through the hills, canyons, and streams of the ranch and the adjoining state park. Private lessons are always available for riders of all ages 7 and over. While we do not offer a separate children's program, families find this the perfect place to spend quality time together.

When you're ready to take it easy, slip off to the Cowboy Cool Pool, or the Jacuzzi Under the Stars, or schedule yourself a massage, facial, or other spa service in the privacy of your accommodation. Or simply sit and watch the horses graze from the porch of your very own cabin or suite, read by your fireplace, or count the stars as you sit by a glowing campfire.

#### Non-Riding Activities

For your hours out-of-the-saddle, hiking, biking, birding, and wildlife watching are great ways to pass the time. Feel free to hunt fossils on the ranch, or fish in its stocked watering hole. Golf is available nearby, as is swimming, tubing, and kayaking in the spring-fed waters of the Medina River. The legendary town of Bandera, which marked the beginning of the Great Western Cattle Trail in the mid-1800's, offers a historical driving tour, shopping, dining, and Western-style night life. Colorful weekly rodeos take place from Memorial Weekend through Labor Day. The historic towns of Comfort and Fredericksburg offer a glimpse into German Pioneer Culture and History, and ample antiquing within an hour's drive. San Antonio, with its famous 18th and 19th century Spanish Missions, River Walk, the Alamo, Sea World, and Fiesta Texas are also about an hour away.

#### Non-riding activities included in the package:

- Swimming in the non-heated pool and use of the hot tub
- Fossil hunting
- Hiking
- Birding
- Star-gazing

#### Non-riding activities with extra charges:
